

We're looking forward to meeting you and your family!

We will join you to:

- meet your family
- listen to your concerns about your child's development
- explain the program and your participation

Name: _____

Date & Time: _____

Location: _____

You should plan to:

- Spend about _____ minutes with us
- Interact with your child doing activities and routines you enjoy
- Share information about your child and your concerns

If you choose to continue, our team will:

- observe your child interacting with you
- share information about your child's current development and how children learn
- answer questions about our programs

Name: _____

Date & Time: _____

Location: _____

You should plan to:

- Spend about _____ minutes with us
- Talk about what your child can do and is ready to learn
- Identify priority goals for your child

If you want to participate, your team will:

- share information and resources important for your family
- problem solve strategies to help you help your child learn
- identify services and strategies to support your child's development

Name: _____

Date & Time: _____

Location: _____

You should plan to:

- Spend about _____ minutes with us
- Participate in daily play and caregiving routines
- Join us in planning routines to help your child learn
